TO KNOW MORE ABOUT US ...

We are a municipality structure called "Bureau Information Jeunesse" meaning "youth info centre". It is located in Marmande, France. The Youth Info Centre exists since 2010.

Our main mission in this centre is to **inform and support** young people (10-30 yo) on various topics: studies-jobs- health topic- european mobility- personal projects etc. Each year the youth info centre set up an urban culture festival called "Urbance" including dance, graffiti, arts workshop and shows.

Our actions take place at the centre but also at the places where the young people are: schools, training centres, parks etc.

TO KNOW MORE ABOUT THE TEAM ...

We are 3 permanent youth workers:

- Natacha, the responsible of the centre, involved in all the projects, activities and working mostly on partnerships and budgets for new actions. Great experience as youth leader and social worker

- Frederic, youth worker, right hand to Natacha for the projects, manager of the social media. He is passionated about music

- Alexandra, european project coordinator, manager of the ESC projects, youth exchange and globally the european desk at the centre. Passionated about travels and former ESC volunteer
